

Advisory 24-04 Hospice Protocol Training

To: All Fire and EMS Agencies

From: Maia Dorsett, MD, PhD, FACEP, FAEMS *M Dorsett*
Associate Regional Medical Director for Education and Quality

Jeremy T. Cushman, MD, MS, EMT-P, FACEP, FAEMS *J Cushman*
Regional Medical Director

Date: June 20, 2024

Statewide BLS and ALS Collaborative protocols recently released include a new protocol on Hospice Care. To facilitate understanding of the protocol and the care for those at their end of life, online training is now available through a collaboration of physician and EMS clinicians. This training is strongly encouraged for all transport and first response EMS clinicians.

The training is available through either the University of Rochester Division of Prehospital Medicine Collaboration or YouTube:

Collaboration: <https://collabornation.net/course/151280> (If you do not already have an account you will be asked to create one but the training is free, if you need to set up an account, use this link: <https://collabornation.net/guest-register/urdpm>)

YouTube: <https://youtu.be/9fbPOmaNRRs>
