MLREMS Training and Education Committee (8.1.17)

1. CIU/CLI Original for this fall 2017 - Ben or regional faculty
 - a. CIU cancelled for 9/30 due to low enrollment (did not affect anyone expiring this fall). CLI original (11/3 18-22; 11/4-11/5 8-16) only has a couple of openings left.
2. ALS/BLS core content information - Linda
 - a. Likely, nothing further that can be done for this project.
3. CIC teaching exam prep material - Ben
 - a. No update. Linda - material was useful for exam she just took but did not touch on other questions. Sharon - there is a bank of questions larger than the number of questions in any given test.
4. Requests for funding - creating a process
 - a. Sharon and Karen offered to take a look at what is used by STEP for submissions. Goal is to develop a short form to be completed and submitted to T&E by someone soliciting funds for training through MLREMS. Thoughts for important information included: # of people who would benefit; # of agencies who would benefit; cost per person to attend; target audience (applicable to many agencies and across the region); content; qualifications of presenter.

Upcoming meetings:

All meetings are hybrid (live at the Division of Prehospital Medicine office and online via the contact information provided in the email at 3:00PM)
