MLREMS Training and Education Committee

MLREMS Training & Education Committee (December 1, 2020)

1. MLREMS Preceptor Course - 12.9.20 @ 1900 (Zoom)
2. Roster for 2020
 - a. If you know anyone who would be a valuable addition (or has interest) to the committee, pass their name and contact information along to Ed.
3. Transition chairperson to Ed
 - a. Ed has been appointed chairperson of the Training & Education Committee by Council President Mark Phillipy. Congratulations and thank you for taking the helm!

New Business

Ben - Consider increased role for MLREMS/DPM with providing regional training which has waned over the years as training became more agency-based. During COVID, DPM has noticed increased attendance at regional trainings so this might be good timing to engage with that as it appears there is a need. Not really speaking about core but other training. Also, nothing specific at this time but potentially a theme to explore for this coming year.
