From: Jeremy T. Cushman, MD, MS, EMT-P *JT Cushman*

Date: October 22, 2021

Effective immediately, Advisory 21-13, EMS Geriatric TeleConsult Algorithm is RESCINDED and may no longer be used by any level provider.

Should this program be reinstated, separate guidance will be issued at that time. I appreciate all the practitioners who utilized this guidance to allow treatment in place of our most vulnerable.
