

Communication with the Deaf Flip Book Printing Instructions

If you are having the books professionally printed, provide them with the PDF document available on our website "[Communication with the Deaf - Professional Printing Document](#)" and provide the printer with the following information:

- Printing: 19 Pages Printed Double Sided in Color onto 10 Sheets
- Substrate: 32# Bond Paper
- Finishing: Cut to Final Size & Yield
 - Laminate Printed Pages
 - Coil Bind
- Flat Size: 8.5" X 11"
- Final Size: 5" X 7"

If you choose to print the materials yourself, choose the PDF document available on our website "[Communication with the Deaf – Agency Printing Document](#)".

- Print single sided in color
- Fold each page in half, trim side excess if desired
- Laminate, trim and collate all pages
- Hole punch top of pages (2 or 3 depending on your preference)
- Use book rings to bind pages (https://www.staples.com/Staples-Loose-Leaf-Rings-2-Size-Silver/product_481327) or similar
- Dry erase marker (<https://arteza.com/dp/dry-erase-markers-set-of-36>) or similar
- Use Velcro to attach dry erase marker to back of finished book
